

# Lincoln's Climate Emergency Centre Newsletter No.25

## October 2024

### Autumn at EarthLincs

We are reducing the number of drop-in sessions for the rest of 2025 as unfortunately we have insufficient volunteers at the moment.

### Climate Circle with Rachael Burnett – 19th October

This is a safe, empathetic, inclusive space for people to come together and explore the myriad of feelings they may be having about the climate crisis.

We will be holding monthly in-person sessions for up to ten people each time (numbers are limited to ensure everyone has chance to talk and reflect).

### Mint Lane Saturday 2–4pm 'Drop-In' Events

<b>5 October</b>	Drop-in closed
<b>12 October</b>	Drop-in closed
<b>19 October</b>	<i>Climate Circle</i> with Rachael & International Repair Day – 'Get Stuff Fixed'
<b>26 October</b>	Drop-in closed

### Want to Find Out More about EarthLincs?

To book a Drop-in session, get involved as an individual or find out more about our plans, contact the EarthLincs team on

### Get Your Electrical Items Fixed on International Repair Day – 19th October.

Join us on the 19th October at Mint Lane to celebrate International Repair Day. This event is organised by the Open Repair Alliance, an international group of repair organisations collaborating to make products more durable and easier to repair,

<https://openrepair.org/international-repair-day/>

The day will be a celebration of how repairing can reduce our impact on the Planet, teach people new skills and bring our communities together.

At Mint Lane we'll be holding the second of our 'Get Stuff Fixed' sessions from 2 to 4pm, and this time we'll be having a go at fixing your broken electrical items. Please let us know if you have something that you'd like us to have a look at, so that we can book you a place.

You'll sit with the Fixer whilst they look at your item and you can enjoy a cup of tea or coffee too.

For more information email:

[earthlincs@gmail.com](mailto:earthlincs@gmail.com)
